FEEDBACK

ABOUT US

Helping Hand International (HHI) is a non-profit organization initially established in Gujarat, India in 2016 under the leadership of Dhruv Panchal. Since then, we take immense pride in having established a strong global network, with more than 40 active branches and more than 20,000 active members located across Asia, Africa, Europe, North America and South America.

Our primary vision is for all people to have access to and benefit from all-round and social justice. At the center of the work we do are the 17 Sustainable Development Goals (SDGs) set by the United Nations which are intended to be achieved by 2030. We strongly believe that the SDGs must be met for the well-being of humanity and our ecosystem, and that they can be achieved through global collaboration and the exchange of ideas.

We believe in the power of awareness, capacity building and skill development, as charity alone will not bring about change. We believe in youth empowerment, in making the next generation leaders so they can become masters of change and resilience. HHI is a proud member of the United Nations Major Group for Children and Youth (UN MGCY). HHI provides an international platform to global youth, so that they can come together, discuss, deliberate, and act on world problems.

We commit to spreading peace through social activism, innovation and new technologies while adhering to the principles of equanimity, accountability and benevolence to bring a positive change for the environment and for humanity.
